Dear Kemp Primary Families,

I am Dr. Denise Stevens and I am so excited to introduce myself as the new principal of Kemp Primary School. Over the past 25 years, I have worked as a teacher, assistant principal, principal leadership coach, Chief Financial Officer and principal. I have been afforded the opportunity to lead the “turnaround efforts” as principal at three different elementary schools. I am proud of opening, along my team, the first primary school in Clayton County Public Schools, Mt. Zion Primary. In each position, I have completely dedicated my time and efforts to serving children. I will spend a lot of time with your children, getting to know their personalities, learning styles, and interests. I will celebrate their successes, small and large. I will encourage them every day and let them know they are valued and are the “center” of our daily focus.

Not only am I excited to begin working with your children, but I look forward to the work we will do together. As the old African Proverb states, “It takes a village to raise a child.”

I am excited to see your children through your eyes. I cannot wait to share with you the great things they do throughout their days here at Kemp Primary.

My goal is to ensure that all children receive a solid foundation so their accomplishments in life will exceed anyone’s imagination!!

Once again, I am so thankful to have the opportunity to bring all that I have experienced and learned with me to your wonderful community. I look forward to getting to know you and your children. Our Kemp Primary team worked collaboratively this summer to ensure a smooth transition. I commend the previous administration on a great job. I respectfully ask you to join “hand-in-hand” with our Kemp Primary team as “We’re Moving on Up!”

I look forward to meeting you soon.

Educationally yours,

Dr. Denise Stevens
Principal
