Mrs. Anesa Nauck
Principal

Mrs. Joy Harris
Assistant Principal

Dear Kemp Primary Parents,

Together with our teachers, staff and Assistant Principals, Mrs. Joy Harris, I want to welcome our students and school community back to Kemp Primary. I hope all of our families had a fun summer where great experiences were had and lasting memories made. Kemp Primary is ready to welcome our students back to engage in meaningful learning experiences and continue to move toward reaching our goal of becoming fluent readers and mathematicians. Our enthusiastic and committed teachers have been working in planning sessions, attending professional development, and getting our classrooms ready. I am confident that together we will have a productive and enriching 2023-2024 school year!

It is evident to us that the culture of the school is centered around our students' well-being and we value that. Our work will continue to focus on the development of Professional Learning Communities (PLC) for our teachers, strengthening of our reading and math programs, and ensuring that all of our students learn our essential standards. Certainly, a safe and supportive school environment, as well as providing social-emotional support, is at the core of our work.

Our school will be stronger with the support of its community. We invite you to take advantage of the opportunities to support our students' learning and experiences. I look forward to meeting you and working with you this academic year as we continue building a better tomorrow, today!

Please contact our office if you have any questions or need additional information.

Sincerely,

Mrs. Anesa Nauck,

Principal
